Hi Mike,

Another question - Did you say that there are no tribal interests associated with this site? That question came up on our end and I want to make sure I understand the situation correctly.

That would be fine Brian. If they are interested.

Thanks, Mike.

Would you like me to pass it along to FWS (David Rouse and Karen Nelson)?

Hi Brian,

DEQ does have this, and so does CDM. I have not sent it to any other agencies.

Hi Mike,

Do you know if the Draft BERA Work Plan has been sent to the State of Montana (DEQ, FWP), any tribes, or other federal agencies (FWS) for review and comment? I assume that CDM (Erin Formanek) has received a copy for review?

Also, let me know if you are aware of a date by which Roux would like comments on this.

Thanks.

Brian

Hello Brian and Susan,

Below is a link to both the echo and Human health risk assessments. Please let me know if you received them.

Susan, Not sure if you will have time to review before your life takes its' next turn. Please advise.

Thanks and have a Happy Thanksgiving,
Mike
